

# Midphase Website Builder FAQ

*Frequently Asked Questions about the Website Builder Application.*

## Q: Can I Edit The HTML / CSS?

A: No.

In a future release you will be able to edit the HTML/CSS for a template and then upload that template to Editor 7.

## Q: Who Is Editor 7 Aimed At?

A: Editor 7 is aimed at helping small business users create a great looking website quickly and easily.

## Q: Can I Have Different Content On My Mobile Site?

A: No.

Editor 7 is specifically designed to share a single set of content across multiple devices.

## Q: Can I Import My Existing Website Builder Site?

A: You can import text and image content from older Website Builder sites on a page-by-page basis.

## Q: Can I Have Drop Down Navigation Menus?

A: Yes

If you create a folder and add pages to it then the navigation will automatically add drop down menus.

## Q: Can I Import My Own Templates?

A: Not yet...

...but in a later release you will be able to do this.

## Q: Can I Use A Domain I Bought Somewhere Else?

A: Yes

## Q: What Will Happen To My Old Site After I Launch Editor 7?

A: Nothing - it will work exactly as before

If you already have a Midphase Website Builder site you will be able to use it and edit indefinitely. You don't have to migrate to Editor 7.

## Q: Will You Add A Preview?

A: Maybe.

We may do this in a future release, depending on customer feedback. For now, we want to keep things simple.

## Q: Can I Embed Flash?

A: Yes, but it may not be a good idea

You can embed Flash using the Embed Widget but you should keep in mind that many mobile devices cannot play back Flash content.

## Q: What About Ecommerce?

A: Not yet but It's on our roadmap.

## Q: Can I Publish To Facebook?

A: Yes

## Q: Blog?

A: Yes

## Q: Can You Provide FTP Access?

A: No.

Website Builder is cloud hosted so there is no need for FTP.

## Q: Are Forms Included?

A: Yes.

Two kinds of simple form are available. We may add more later.

## Q: Can I Put Advertisements Like Google Adsense On My Site?

A: Yes.

Just use the embed widget.

### Q: Can I Edit My Site On My iPad Or iPhone?

A: Not yet.

You can use an iPad, iPhone or similar device to access everything except the site editor.

### Q: Can I Create A Password Protected Areas?

A: No.

### Q: If I Use Editor 7, Will My Site Jump To The Top Of Google?

A: Possibly, but it will take time and effort.

Editor 7 sites have excellent SEO performance but getting a good ranking on Google always requires time and effort. The best source for accurate information is <http://www.google.com/webmasters/>
