

How To Know The Expiration Date For My Services

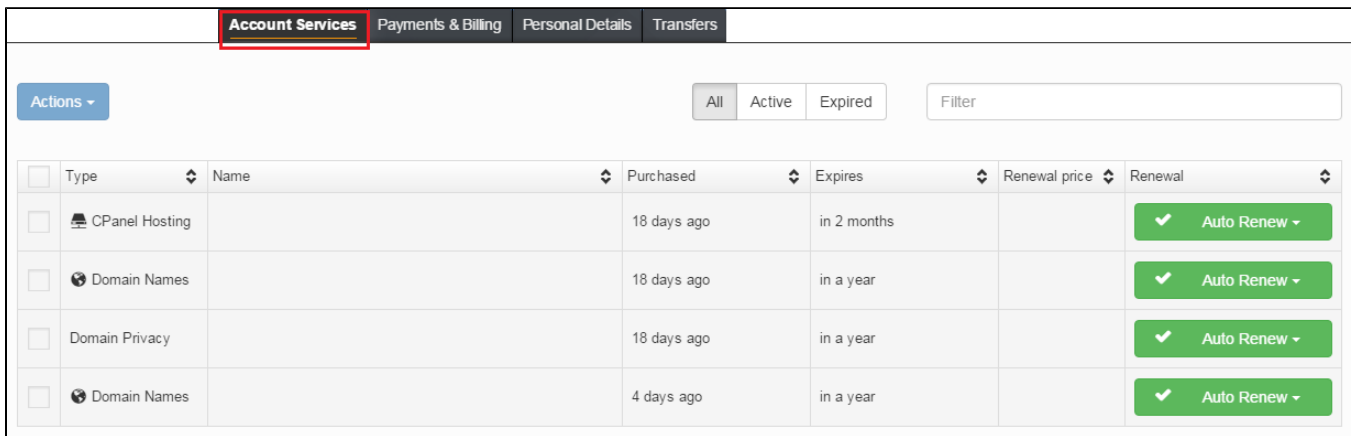

This article will help you locate and identify the expiration dates for your hosting services.

Step 1 - Log into your CHI account at chi.midphase.com.

Step 2 - Click on the “Account” tab found on the sidebar on the left hand side of your screen.

Step 3 - Click on the “Account Services” tab located on the top menu bar. A list of your services will appear on your screen.

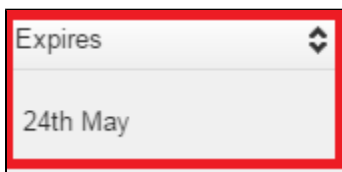

Account Services							Payments & Billing	Personal Details	Transfers	
Actions ▾							All	Active	Expired	Filter
<input type="checkbox"/>	Type	Name	Purchased	Expires	Renewal price	Renewal				
<input type="checkbox"/>	CPanel Hosting		18 days ago	in 2 months		<input checked="" type="checkbox"/> Auto Renew ▾				
<input type="checkbox"/>	Domain Names		18 days ago	in a year		<input checked="" type="checkbox"/> Auto Renew ▾				
<input type="checkbox"/>	Domain Privacy		18 days ago	in a year		<input checked="" type="checkbox"/> Auto Renew ▾				
<input type="checkbox"/>	Domain Names		4 days ago	in a year		<input checked="" type="checkbox"/> Auto Renew ▾				

Step 4 - Under the “Expires” column you will find the length of time when your service will expire.

<input type="checkbox"/>	Type	Name	Purchased	Expires
<input type="checkbox"/>	CPanel Hosting		18 days ago	in 2 months

*For the specific expiration date hover your mouse over the time frame listed.

Please feel free to contact our support teams through live chat or by submitting a support ticket from your CHI dashboard if you have any questions.
