

How To Renew A Service Or Pay An Invoice

This article contains information about how to pay an invoice.

Step-by-step guide (secure.mpcustomer.com)

1. Log into <https://secure.mpcustomer.com> with your billing username and password.
2. Click View Invoices->Pay. If there is no credit card on file, you will get a message 'You do not currently have a credit card stored in the system.'
3. To add a credit card, go down to Manage Payment Cards.
4. Once the card is added, go up to Billing & Services, click view Invoices, and click "pay" at the right.
